DEPARTMENT OF OBSTETRICS AND GYNECOLOGY

Dear colleagues,

We would like to invite you to the 4th Masterclass in oncoplastic breast surgery and reconstruction on the 8th and 9th of October 2023 at the Medical University of Vienna.

The conference will be divided into three parts:

On Sunday, the 8th of October 2023, there will be a theoretical part with renowned international speakers focused on the latest strategies, techniques and best practice updates.

On Sunday afternoon we will be offering a hands-on-workshop with surgical training on mastotainers, which is limited to 20 participants.

On Monday, the 9th of October 2023, we will be performing live surgery with direct broadcast to the lecture hall containing oncoplastic techniques, Nipple sparing mastectomy with immediate reconstruction, contralateral adjustment, lipofilling etc.

If you would like to attend only the theoretical and live surgery parts, there is the option of online participation.
